KAFKA VD HEFFINCK

BWP 2010 171cm Dark Brown Stallion

Sire Calvaro Z (HOLST) Dam Utopie (BWP) by Diamant De Semilly (SF)

This young stallion is one of the stars of the show jumping world today with an amazing competition record at 5* level.

While still only 9 years old, he won the Athens 5* Grand Prix! He was placed 11 times in the top 10, from the 11 starts he had at 5* shows.

Kafka was qualified for the Tokyo Olympics and was selected for the European Championships in 2019 but it was decided not to bring him as he was too young. Now aged 12 years, Kafka vd Heffinck is only coming into his prime and is looking forward to achieving many more 5* successes over the coming years.
